

AMENDMENTS

IN THE CLAIMS:

Please amend the claims as follows:

3. (amended) A medicinal product according to claim 1 [or 2], characterized in that the medicinal product comprises additional growth factors.

4. (amended) A medicinal product according to claim 1 [any one of claims 1 to 3], characterized in that the medicinal product comprises biomaterials.

6. (amended) A medicinal product according to claim 4 [or 5], characterized in that the biomaterials are present in the lyophilized or deep-frozen state.

7. (amended) A medicinal product according to claim 4 [any one of claims 4 to 6], characterized in that tissue adhesive and/or collagen are provided as biomaterials.

9. (amended) A medicinal product according to claim 4 [any one of claims 4 to 8], characterized in that the medicinal product additionally comprises epithelial cells and/or keratinocytes and/or embryonic and/or fetal cells and/or liposomes.

Please add the following new claims:

11. (new) A medicinal product according to claim 2, characterized in that the medicinal product comprises additional growth factors.

12. (new) A medicinal product according to claim 5, characterized in that the biomaterials are present in the lyophilized or deep-frozen state.
